The Board of Directors proposes to the Annual General Meeting that, based on the adopted balance sheet for the financial year 2018, no more than EUR 0.37 per share be paid as dividend and that the remainder of the distributable funds be transferred to shareholders' equity.

The Board of Directors proposes that the dividend is divided into two instalments so that the Annual General Meeting would decide on a dividend of EUR 0.18 per share that will be paid to shareholders who are registered in the shareholders' register maintained by Euroclear Finland Ltd on the record date of 8 April 2019. The Board of Directors proposes that the dividend be paid on 15 April 2019.

In addition, the Board of Directors proposes that the Annual General Meeting would authorise the Board of Directors to decide, at its discretion, on the payment of an extra dividend of no more than EUR 0.19 per share.

The Board of Directors expects to decide on the payment of a EUR 0.19 per share extra dividend at its meeting scheduled to be held on 17 October 2019, provided that the Annual General Meeting authorises the Board of Directors to decide on the extra dividend. At the same meeting, the Board of Directors expects to decide on the record and payment dates of the extra dividend in accordance with the rules of the Finnish book-entry securities system.

The Board of Directors proposes that the Annual General Meeting authorise the Board of Directors to resolve on the repurchase of a maximum of 934,711 shares in the company in one or several tranches.

The maximum amount of shares that can be repurchased corresponds to approximately 5% of all the shares in the Company on the date of this notice. However, a decision to acquire own shares shall not be made so that the treasury shares in the possession of the company and its subsidiaries would exceed one tenth of all shares. Only the unrestricted equity of the Company can be used to repurchase own shares on the basis of the authorisation.

The shares can be repurchased otherwise than in proportion to the shareholdings of the shareholders in public trading arranged by Nasdaq Helsinki Oy for the market price formed at the moment of purchase or otherwise at a price formed on the market.

The Board of Directors is authorised to decide on all other matters related to the issuance of shares and special rights entitling to shares, including the right to deviate from the pre-emptive right of shareholders to subscribe to shares to be issued. The authorisation is proposed to be used for the purposes of strengthening the balance sheet and financing position of the company or for other purposes decided by the Board of Directors.

It is proposed that the authorisation remain valid until the closing of the next Annual General Meeting, but no longer than until 30 June 2020.
