

BOARD'S PROPOSALS TO THE AGM 2020

8. Resolution on the use of the profit shown on the balance sheet and the payment of dividend

The Board of Directors proposes to the Annual General Meeting that, based on the adopted balance sheet for the financial year 2019, no more than EUR 0.38 per share be paid as dividend and that the remainder of the distributable funds be transferred to shareholders' equity.

The Board of Directors proposes that the dividend is divided into two instalments so that the Annual General Meeting would decide on a dividend of EUR 0.19 per share that will be paid to shareholders who are registered in the shareholders' register maintained by Euroclear Finland Ltd on the record date of 6 April 2020. The Board of Directors proposes that the dividend be paid on 15 April 2020.

In addition, the Board of Directors proposes that the Annual General Meeting would authorise the Board of Directors to decide, at its discretion, on the payment of an extra dividend of no more than EUR 0.19 per share.

The Board of Directors expects to decide on the payment of a EUR 0.19 per share extra dividend at its meeting scheduled to be held on 16 October 2020, provided that the Annual General Meeting authorises the Board of Directors to decide on the extra dividend. At the same meeting, the Board of Directors expects to decide on the record and payment dates of the extra dividend in accordance with the rules of the Finnish book-entry securities system.

The extra dividend is estimated to be paid in October 2020 to shareholders who are registered in the shareholders' register maintained by Euroclear Finland Ltd on the record date decided by the Board of Directors.

It is proposed that the authorisation remain valid until the opening of the next Annual General Meeting.

11. Resolution on the remuneration of the members of the Board of Directors

The Board of Directors proposes that the monthly remuneration of the members of the Board of Directors elected for the term of office lasting until the Annual General Meeting of 2021 be paid as follows: The Chairman of the Board of Directors is paid EUR 3,500 and members of the Board of Directors are each paid EUR 2,000. Additionally, the Chairman of the Audit Committee is paid EUR 1,300 a month and members of the Audit Committee are paid EUR 750 a month. If Kalle Kekkonen is appointed to the Board of Directors, no remuneration for being a member of the Board of Directors or the Audit Committee shall be paid to him. The travel expenses of the members of the Board of Directors are compensated in accordance with the company's travel rules.

The Board of Directors proposes that five (5) members are elected to the Board of Directors.

13. Election of members of the Board of Directors

The Board of Directors proposes that Olli Liitola, Ja Adlercreutz and Ari Hiltunen be reappointed to the Board of Directors for the following term of office and Sanna Suvanto-Harsaae and Kalle Kekkonen be appointed as new members of the Board of Directors.

The term of the members of the Board of Directors will run until the end of the next Annual General Meeting. All nominated persons have given their consent to the appointment.

The presentation and shareholdings of the persons nominated for the Board of Directors is available at Harvia Plc's website: www.harvia.fi.

14. Resolution on the remuneration of the Auditor

The Board of Directors proposes that the Auditor to be appointed will receive remuneration in accordance with a reasonable invoice approved by the company.

15. Election of the Auditor

The Board of Directors proposes that Authorised Public Accounting firm PricewaterhouseCoopers Oy be elected as the Auditor of the company for the following term of office. PricewaterhouseCoopers Oy has stated that Authorised Public Accountant Markku Launis will act as the Responsible Auditor should PricewaterhouseCoopers Oy be elected as the Auditor of the company.

16. Authorisation to the Board of Directors to decide on the repurchase of own shares

The Board of Directors proposes that the Annual General Meeting authorise the Board of Directors to resolve on the repurchase of a maximum of 934,711 shares in the company in one or several tranches.

The maximum amount of shares that can be repurchased corresponds to approximately 5% of all the shares in the Company on the date of this notice. However, a decision to acquire own shares shall not be made so that the treasury shares in the possession of the company and its subsidiaries would exceed one tenth of all shares. Only the unrestricted equity of the Company can be used to repurchase own shares on the basis of the authorisation.

The shares can be repurchased otherwise than in proportion to the shareholdings of the shareholders in public trading arranged by Nasdaq Helsinki Oy for the market price formed at the moment of purchase or otherwise at a price formed on the market.

The authorisation is proposed to be used e.g. for the purposes of the company's share-based incentive systems or for other purposes decided by the Board of Directors.

Shares purchased by the company may be held by it, cancelled or transferred. The Board of Directors decides on other matters related to the repurchasing of own shares.

The Board of Directors proposes that the authorisation replaces the authorisation of the Board of Directors to resolve on the repurchase of own shares granted by the shareholders of the company on 4 April 2019.

It is proposed that the authorisation remain valid until the closing of the next Annual General Meeting, but no longer than until 30 June 2021.

17. Authorisation of the Board of Directors to resolve on a share issue and an issue of special rights entitling to shares

The Board of Directors proposes that the Annual General Meeting authorise the Board of Directors to resolve on the issuance of shares and the issuance of special rights entitling to shares as referred to in Chapter 10 Section 1 of the Finnish Limited Liability Companies Act in one or several parts, either against payment or without payment.

The aggregate amount of _____ shares to be issued, including the shares to be received based on special rights, must not exceed 1,869,423 shares. The Board of the Directors may resolve to issue new shares or to transfer own shares possibly held by the company.

The Board of Directors is authorised to decide on all other matters related to the issuance of shares and special rights entitling to shares, including the right to deviate from the pre-emptive right of shareholders to subscribe to shares to be issued. The authorisation is proposed to be used for the purposes of strengthening the balance sheet and financing position of the company or for other purposes decided by the Board of Directors.

It is proposed that the authorisation remain valid until the closing of the next Annual General Meeting, but no longer than until 30 June 2021. The authorisation replaces and revokes all previous unused authorisations of the Board of Directors to resolve on the issuance of shares, share options and other special rights entitling to shares.

18. Establishing the shareholders' nomination board

The Board of Directors proposes that the Annual General Meeting decide on establishing a shareholders' nomination board to prepare proposals concerning the election and remuneration of the Board Members as well as the remuneration of the members of the various Board committees that will be submitted to future Annual General Meetings and to any Extraordinary General Meetings where necessary. In addition, the Board of Directors proposes that the Annual General Meeting approve the charter of the shareholders' nomination board, which is appended hereto as Appendix 2.

Pursuant to the Board's proposal, the shareholders' nomination board would be comprised of representatives appointed by the company's four largest shareholders.

Each year, those four shareholders that hold the largest share of the votes conferred by all shares in the company on the first working day of the September preceding the applicable Annual General Meeting pursuant to the shareholders' register maintained by Euroclear Finland Ltd will be entitled to appoint members that represent the shareholders. The Chairman of the Board of Directors will request the four largest shareholders, which will be determined as stated above, to each appoint one member to the shareholders' nomination board. In the event that a shareholder has divided its holdings e.g. between several funds or its holdings are registered in several registers and the shareholder is obliged, under the Finnish Securities Markets Act, to take these holdings into consideration when disclosing any changes in its ownership shares (flagging obligation), all of the holdings of such a shareholder will be taken into consideration when calculating its share of all votes in order to determine whether the said shareholder is entitled to appoint a member to the shareholders' nomination board if the shareholder submits a written request to the Chairman of the Board of Directors to that effect on the 31st day of the August preceding the applicable Annual General Meeting.

In the event that two or more shareholders hold equal ownership shares and the representative of both or all shareholders cannot be appointed to serve on the shareholders' nomination board, the right to appoint a representative to the shareholders' nomination board will be decided by drawing lots.

If a shareholder does not wish to exercise its right of appointment, the right will be transferred to the next largest shareholder that would otherwise not have the right of appointment.

The Chairman of the Board of Directors will convene the first meeting of each term of office of the shareholders' nomination board, and the representative of the largest shareholder will be appointed as the chairman of the shareholders' nomination board, unless the shareholders' nomination board specifically decides otherwise. In the event that the representative of one of the largest shareholders simultaneously serves as the Chairman of the company's Board of Directors, they cannot be appointed as the chairman of the shareholders' nomination board, but they can serve as a member thereof as a representative of the relevant shareholder. Once the shareholders' nomination board has been elected, the company will publish a stock exchange release to announce the composition thereof.
